

A photograph of a man and a woman in a workshop setting, both wearing safety glasses and working on a large engine. The man is on the left, and the woman is on the right, kneeling and using a tool. The background shows various workshop equipment and tools.

MOVING STUDENTS FORWARD

ANNUAL GIVING REPORT 2021

Thank you

So much in the world has changed since the spring of 2020. We have lost people we have loved and welcomed new members into our families. We've lost jobs and gained jobs. We are seeing students taking the opportunity to reinvent and reinvest in themselves, in their futures and in their families.

One thing that has not changed, however, is the unwavering commitment of our Foundation and our donors. Your steadfast dedication to the success of our students, our employees and the college is the backbone of this institution.

When our students need access to technology – you are there. When our students need funding for child care, or transportation or textbooks – you are there. Whenever our students need a hand up – you are always here.

It is with my deepest gratitude that I thank you for your continued support and for believing in our students and helping them reach their goals. Thank you.

Dr. Tim Cook
Clackamas Community College President

In spite of the challenges, 2021 was an extraordinary year at the Foundation. Our funders, board members and staff continued to step up to support students weary with financial uncertainty, social distancing, virtual learning and all the challenges they faced during these past two years.

We are so grateful. Grateful for new donors – those who recognized the growing needs of our students and joined our community in 2021. Grateful for our steadfast donors for their continued commitment to close the financial gap for students in need. Grateful for our employee donors who give of themselves each day to CCC's mission.

2022 is gearing up to be a year of growth and opportunity. An opportunity to face increasing holistic student needs in higher education. I am looking forward to our continued work together in the coming year!

With sincere appreciation for all of your generosity,

Jamie Damon
Clackamas Community College Foundation President

EX OFFICIOS

Dr. Tim Cook, CCC President

Debra Mason, Executive

Director

Sara Dier, Foundation Director

Wacheno Welcome Center opens

On Oct. 29 2021, CCC celebrated the dedication of the Wacheno Welcome Center, the new “front door” of the college. The Wacheno Welcome Center houses advising, counseling, education partnerships, financial aid, registration, testing and placement services and a welcome desk. CCC intentionally created a space where students can have most of their questions answered in one setting rather than moving to different offices or between buildings. This was one of the final projects of the 2014 bond.

CCC honored the people whose land the college’s Oregon City campus resides on by naming this building the Wacheno Welcome Center. In a letter to CCC President Tim Cook, Confederated Tribes of Grand Ronde Cultural Resources Manager

David Harrelson wrote, “Naming the Welcome Center after the Wacheno family not only honors the first people of the land that Clackamas Community College sits on, it also follows the traditional cultural customs of the Clackamas as the indigenous people of this place. These customs include the obligations of the people of a place to be good hosts by welcoming and caring for their guests. Naming the Welcome Center after the Wacheno family allows for this cultural teaching to be represented on the college campus named after the people and customs it will honor.”

Foundation looks ahead

The Clackamas Community College Foundation’s mission is to provide \$1 million in scholarships and academic awards for all CCC students each year. In recent years, students who received a CCC Foundation scholarship were more likely to graduate than those who did not.

Now is the opportunity for students to increase their chances of graduating by applying for scholarship opportunities at CCC. By aiming to provide \$1M in scholarships, the CCC Foundation endeavors to supply more students with an increased dollar amount of award each year.

Financial support is a key element in breaking down barriers hindering higher education from many of our community members. Whether students are seeking an economical option as they earn credits toward a bachelor’s degree or they are making a fresh start re-entering the workforce, a wide variety of scholarships are available for all students who apply.

Bloomin' Boutique

Where futures blossom and confidence grows

BloominBoutique.org

non-profit organization
dedicated to giving
a *hand up* to local
underprivileged children

A 'hand up' for education

Foundation scholarships offer our students a way of breaking the barriers hindering their educational aspirations, and we wouldn't be able to do that without the support of our incredible community partners.

Bloomin' Boutique is a local nonprofit whose mission is to invest in underserved Oregon children in Clackamas, Multnomah and Washington counties. In addition to fulfilling requests for new clothing and basic necessities for infants through K12 students, Bloomin' Boutique

provides added assistance through special programs.

In 2021, Bloomin' Boutique partnered with us to start the Bloomin' Boutique HAND

UP for Higher Education Scholarship. Patti Serres, owner of the Boutique, believes that this "hand up" gift will enable students to focus on their studies rather than having to worry about how to pay for their books or how to pay for child care while they attend classes.

Thanks to the generosity of Bloomin' Boutique countless students will receive a HAND UP for their education in the years to come.

Jennifer Johnson is one student who received the Bloomin' Boutique HAND UP for Higher Education Scholarship in 2021-22.

Jennifer is working toward her associate in nursing after having served as a medical assistant for nearly 15 years proudly serving the Newberg community.

"During the pandemic I witnessed firsthand how nurses became an even more crucial component in health care," Jennifer said. "This prompted me to pursue nursing as a career in hopes of expanding my reach within the community."

Jennifer is passionate about serving the underserved. "I grew up in a non-affluent, rural town with limited resources. Access to higher education and quality healthcare were also

constrained. I am optimistic my career in nursing will help support my larger goal of assisting kids in communities like the one I grew up in, and receiving this scholarship has

inspired me to lend a hand up when and where I can."

In Bloomin' Boutique's first year of partnership, they provided students like Jennifer something to be proud of.

"To me, this was more than just a gift or generous donation from the community," she noted. "It marked

a sense of pride and accomplishment knowing I received a hand up and not a handout. Bloomin' Boutique is an essential part of the community and receiving this scholarship has shaped my future in ways I am incapable of expressing in words."

"Receiving this scholarship has shaped my future in ways I am incapable of expressing in words."

- JENNIFER JOHNSON, CCC student

COMMUNITY PARTNER SPOTLIGHT: BLOOMIN' BOUTIQUE

By The Numbers

2020-21 ENROLLMENT

Total student enrollment: 17,638

Full-time enrollment: 4,772

Total degree and certificates completed: 1,159
